

# 4-H Backyard Sugaring From Start to Finish

Join us for a fun and tasty exploration into the world of making maple syrup! Each week participants will learn the basics of maple sugaring. Activities will be hands-on and include time outdoors.

## Details:

- Each participant will go home with maple syrup that they help to make.
- Topics include tree ID, tapping techniques, evaporator design, taste testing, grading, and candy making.
- Open to youth in grades 4 to 7. Youth do not need to be a 4-H member to participate.

**Extension**
