PARTNERING FOR STRENGTH CONFERENCE

Grappone Center

Concord, NH

Collaborating with families, schools, communities & youth to support children with disabilities and special healthcare needs

The Partnering for Strength Conference is an annual event focusing on educating, collaborating and enriching families, professionals and youth.

Featuring Keynote Speaker Zachary Rossetti

This unique conference includes a strand of sessions for youth, designed by youth!

Who should attend?

- Families and professionals who support children & youth of all ages with disabilities and/or special health care needs.
- Youth ages 14-26 with disabilities and/or special health care needs.
