Acceptance of Gifts

Concord School District may accept gifts that are consistent with the mission, vision and goals of the District.

A gift is defined as money, supplies, equipment, real or personal property or personal services, provided without consideration.

The District is under no obligation to accept any gift. Gifts may be refused for any reason. Individuals, organizations or groups should be encouraged to discuss the gift or solicitation of gifts in advance with the building Principal or Superintendent or designee.

The Superintendent or designee may accept any gift to the District or individual school or department having a value of less than \$5,000. Any gift to the District having a value of \$5,000 or greater may only be accepted by the School Board. Any gift of real property (land, either developed or undeveloped, and/or buildings) may only be accepted by the Board. Gifts in the amount of \$5,000 or more shall be noted in the agenda of the next regularly scheduled Board meeting and will include notice in the minutes of the meeting in which the gift is discussed. The acceptance of all gifts will be made in public session.

The Board, the Superintendent, or their designee shall not authorize gifts that are inappropriate, unsafe, or carry obligations or conditions that are out of proportion to the gift.

The District shall not discriminate in the acceptance and administration of gifts, bequests, scholarships and other aids, benefits, or services to students from private agencies, organizations or persons on the basis of gender, race, religion, national origin, sexual orientation, or disability.
