

Concord School District Policy #541.3

Student Motor Vehicle Use

Improper use of a motor vehicle on school grounds can result in suspension from school (in school or away from school) for a period of time not to exceed five (5) days. Driving a motor vehicle off school grounds during the school day without written authorization will be considered improper use of a motor vehicle and will be considered grounds for suspension.

Parking at the school is a privilege granted by the school, and the privilege will be withdrawn if it is abused. Abuse of this privilege may include reckless driving, speeding, improper parking, occupying a parked vehicle, loitering, littering or use of alcohol and/or drugs

Prior to driving or parking on school grounds, students will be required to register motor vehicles in the main office and will be required to have a school sticker on the motor vehicle.

If a student is found to have left the school grounds in a motor vehicle without authorization, parents will be notified and the student may be subject to disciplinary action, including suspension from school.
