

Concord School District Policy #691

Athletic Program

The Director of Physical Education and Sport, in cooperation with the administrators of the middle school and high school, shall provide intramural and interscholastic athletic programs. The Director shall be responsible for developing schedules of competition, athletic procedures, coaching responsibilities, and shall also determine the level of competition for students with unique abilities.

Adopted March 19, 1984. Reviewed September 18, 2017.
